## HCHC ALUMNI SPOTLIGHT

The Hinsdale Central Holiday Classic has had its share of stars from the past, but none has gone on to the highest level of play as did 2015 Tournament MVP **De'Anthony Melton** of Crespi Carmelite High School in Encino, California. The Celts won the first ever HC Classic and remains as the only out of state team to play in the event. Melton went on to play at the University of Southern California and was drafted with the 46<sup>th</sup> pick of the 2018 NBA Draft by the Houston Rockets. Prior to his initial year in the League, De'Anthony was traded to the Phoenix Suns and a year later found his home with the Memphis Grizzlies, where he has played the past three seasons. In 2020, Melton signed a four-year contract in excess of 34 million dollars.
